After your breakfast, drive to Kyambura gorge for a briefing about tracking chimpanzees. You will get a ranger who will guide you through the jungle as you search for these chimpanzees, an exercise which might take you 1-3 hours. More to the Chimpanzees, you will meet lots of other primates like the monkeys; there will be lots of bird species and so many types of tree species. By midday, you will be through with the trek and return to the lodge to have your lunch and then in the afternoon, you will go for the launch cruise on the Kazinga channel that connects Lake George and Lake Edward. During the boat ride, you will see a huge population of Hippos in the water, Crocodiles in and along the shores of the river, Buffaloes, Elephants and many other animals as they graze, others taking some water close to the shores. This place also has a huge population of brightly colored birds thus a good place for bird lovers too to visit. After this adventure, you will head back to the lodge and have your dinner.
